

IMPLEMENTATION OF THE PROJECT FOR SUPPORTING INTERNALLY DISPLACED PERSONS AND RETURNEES IN SERBIA HAS STARTED

Arbeiter-Samariter-Bund, in partnership with the City of Kruševac and the Municipalities of Ub, Čičevac and Aranđelovac starts with the two-year project in Serbia: "Support to internal displaced persons (IDPs) and returnees in four local self-governments in Central Serbia through provision of durable housing solutions and economic sustainability measures".

The project will support selected municipalities in providing durable housing solutions and economic sustainable measures for IDPs and returnees.

The project goal will be achieved through building of 7 prefabricated houses, purchase of 14 village households, distribution of 10 building material packages and 15 economic packages.

31 IDP/returnees families will obtain durable housing solutions and up to 15 IDP/returnees families will be supported with economic packages in order to improve their socio-economic position.

The project is funded by the European Union within the program for "Improving the living conditions of internally displaced persons and returnees from the readmission process in Serbia".

Activity have started in July 2018 an will last for 22 months.
